TEXAS BETA NEWSLETTER

FALL 2022 NEWSLETTER

October 2nd

RECRUITMENT

Our fall rush was a huge success bringing in 18 new members! Recruitment began on the 23rd of August and ended on the 2nd of September. Notable events included a trip to Big Shots golf, a football 7 on 7 game, and a hot wing challenge hosted by our recruitment chair Allen Campos!

Not only did we bring in a new class of fine young men, but "Rush week was exceptional due to different factors. This semester, IFC got their stuff together, giving us a list of potential new members, as well as us having a generally cohesive two weeks." says Jacob McCoy

With the precedent set by this year's rush, we are very excited for what is to come in the future!

TESTIMONIALS

"All in all rush week was a very enjoyable experience. I was able to meet so many people who I wouldn't have talked to otherwise. The events that the people at SigEp held were enjoyable to be a part of. Honestly I wish I had gone to more of the events even though I went to more than half of them. I can't wait to be a part of the Texas Beta chapter and be a part of events like this for the Sigmas who will check us out in the spring semester." - Ashton, Sigma

"Overall, I really enjoyed this past rush, as it allowed for us to get familiar with one another, as well as just have fun, whether it be bowling, golfing, or just relaxing and watching football games. I'm glad all the guys in my sigma class joined, as they're all decent people that are striving for the same goals while also having fun doing so" - Rob, Sigma.

SAFARI WEEK

The month of October is filled with a lot of important events; it is the time that fall starts to set in, the air gets a little spookier, but more importantly it is the time that Texas Beta hosts Safari Week, our philanthropy fundraiser! Last year, we raised several thousand for the nonprofit Big Brother Big Sister, and we hope to raise even more of that this year! It begins Oct. 17th and ends on the 21st.

CHAPTER GOALS

Our plans for rest of the semester!

Chapter GPA Fantasy

We would like to raise our academics to the point that- by the end of the semester- we will have the highest GPA out of all the fraternities on IFC. To do so, we've created a "GPA fantasy league" involving the whole chapter. This league is comprised of four members of the executive board in teams with the whole chapter. By the end of the semester, we hope to see that our GPA far exceeds the rest of the row!

We also wish to see greater success in terms of our recruitment, constantly expanding our chapter every semester for the foreseeable future.

Finally, we'd like to continue the growth of our brotherhood, and to see this fraternity be the best it can be at all times.

TAILGATE

Tailgate season is back in effect this semester, something that we have been looking forward to all year.

Be sure to show up on November 5th for our alumni tailgate!

“Tailgates have been a good way to bond with both actives and alumni by socializing and saying hello to our older members that we don't see often. On top of that, we get to meet new people and make connections with people in a different environment away from classes.

■ Andrew Reed

INTRAMURAL FOOTBALL

Rather than in the spring, our intramural football season is being held during the fall semester. Our team is absolutely dominating!

Our first game against Sigma Chi was a hard one, which we won 20-12. Our second game, we absolutely steam rolled Kappa Alpha 40-0. The next game is scheduled on the 4th of October, against Kappa Sigma.

THANK YOU!

This newsletter is something that we wish to continue into the future! Next update will be on the 2nd of November, next month, until the foreseeable future. This project is made possible by the members of Sigma Phi Epsilon, participating in activities and engaging with the community, with this newsletter we hope that we can regularly inform the community about our goings-on. Thank you!
